(free of charge)

at the Kawasaki Todoroki Stadium

1-1 Todoroki, Nakahara, Kawasaki, 211-00523 [MAP](#) and [ACCESS](#)

The AFC Champions League is Asia's clone of Europe's extremely successful Champions League. Finishing last season as No 3 of the J-League, Kawasaki Frontale qualified for the league.

It receives Korea's Ulsan at home as part of the group rounds (Kawasaki is in group H, [more information available here](#)).

Ulsan Hyundai was the AFC Champions League winner of 2012 and currently ranks No 2 in the South Korean league.

The invitation results from the joined ABC/GCCIJ/SCCIJ visit to Kawasaki last year for the "Business of Soccer" seminar. Kawasaki Frontale President Mr. Takeda now invites ABC/GCCIJ/SCCIJ members including employees, family members and partners to enjoy a game together.

The ABC offers **free bus transfer from Shinagawa station to the stadium.**

Departure time: 5.15pm (to be enforced strictly!)

We will send you details after your registration - seats awarded on first comes, first serves basis!

**Prior registration required!**  
**Please register by mail to Ms Iwasaki/Mr Ackerer**
